Dario Fo

2000

joseph farrell and antonio scuderi present an international collection of essays reevaluating the multifaceted performance art of nobel laureate dario fo the contributors all of whom either have previously published on fo or have worked with him are the major dario fo scholars of three continents going beyond the marxist criticism of the 1970s and 1980s the editors and contributors try to establish an appropriate language in which to debate fo s theater they seek to identify the core of fo s work the material that will be of lasting value this involves locating fo in history examining the nature of his development through successive phases incorporating his politics into a wider framework of radical dissent and setting his theatrical achievements in a context and a tradition the essays cover every aspect of dario fo as actor playwright performer and songwriter they also provide the historical background of fo s theater as well as an in depth analyses of specific works and the contribution of franca rame

Dario Fo and Franca Rame

2019-04

dario fo actor playwright theatre director stage designer political activist artist and author who having attained international fame in theatre produced the first of his six novels at the age of 88 was there any limit to his versatile genius he was awarded the nobel prize for literature in 1997 and works such as accidental death of an anarchist or can t pay won t pay secured his reputation as the outstanding political playwright of his age unlike other writers of a similar mind fo s chosen genre was farce so his drama is a uniquely engaging mixture of laughter and anger in 1954

he married franca rame a member of a family company of touring players the personal and professional partnership

accidental death of an anarchist
methuen drama by fo dario farrell
joseph published by bloomsbury
methuen drama 2003

accidental death of an anarchist methuen drama by fo dario farrell joseph published by bloomsbury methuen drama of the two over sixty years was probably unique in theatre history her inherited instinctive knowledge of stagecraft was invaluable to him but although she was always recognised as an actor of considerable talent her contribution to the writing of the plays was long undervalued with the emergence of the feminist movement she increasingly asserted herself notably with a series of one woman works she wrote and performed she became one of italy s and europe s leading feminist campaigners and as such a target for right wing terrorist groups in 1973 she was kidnapped and raped by neo fascist thugs although the subjects of their plays with their fearless attacks on corruption and satire of popes and politicians were often taken from the headlines of the day their theatre was deeply rooted in theatrical tradition the nobel prize citation stated that fo emulated the jesters of the middle ages in scourging authority and upholding the dignity of the downtrodden but this political campaigning came at a cost the couple s militant reputation meant that they were for many years barred from italian television and banned from entering the usa but their plays were staged from london to tokyo and they themselves were acclaimed wherever they toured

Dario Fo and Franca Rame: passion unspent

2015-10-01

in the official citation explaining the decision to award the 1997 nobel prize for literature to dario fo the swedish royal academy stated that he had emulated the jesters of the middle ages in scourging authority and upholding the dignity of the downtrodden it went on to add that with a blend of laughter and gravity he opens our eyes to abuses and injustices in society fo is an extremely serious satirist since the award of the nobel prize dario fo has never stopped writing performing and painting he was deeply affected by the death of his wife franca rame and has dedicated works to her

New Theatre Quarterly 71: Volume 18, Part 3

2002-12-12

new theatre quarterly provides an international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning articles in volume 71 include remembering martin esslin 1918 2002 an uncooked army boot spike milligan 1918 2002 doing things with words directing dario fo in the uk the long road home athol fugard and his collaborators theatre audience surveys towards a semiotic approach fragile currency of the last anarchist the plays of maxwell anderson the mud and the wind an inquiry into dramaturgy

Dario Fo and Franca Rame

2001

this biography examines the life and work of dario fo and franca rame parties to a unique relationship which draws its strength and inspiration from the old traditions of the harlequin and commedia dell arte

accidental death of an anarchist methuen drama by fo dario farrell joseph published by bloomsbury methuen drama
farrell provides a personal history of sicily the last at the center of the mediterranean where the great civilizations of
europe and north africa met there is more to sicily than the godfather and the mafia and farrell wants to help you
identify the city s links with the past

The Shadow of the Precursor

2011-10-18

a shadow in its most literal sense is the projection of a silhouette against a surface and the obstruction of direct light
from hitting that surface for writers and artists the shadows cast by their precursors can be either a welcome
influence one consciously evoked in textual production via homage or bricolage or can manifest as an intrusive
haunting prohibitive presence one which threatens to engulf the successor many writers and artists are affected by
an anxious and ambiguous relationship with their precursors while others are energised by this relationship the role
that intertextuality plays in creative production invites interrogation and this publication explores a range of conscious
and unconscious influences informing relations between texts and contexts between predecessors and successors
the chapters revolve around intertextual influence ranging from conscious imitation and intentional allusion to julia
kristeva s idea of intertextuality do all texts contain references to and even quotations from other texts do such
references help shape how we read this multidisciplinary work includes chapters on the long shadows cast by
shakespeare dante scott virgil and ovid the shadows of colonial precursors on postcolonial successors the shadows
cast over kipling and murdoch and chapters on other writers dramatists and filmmakers and their relationships with
precursor figures with its focus on intertextual relationships this book contributes to the thriving fields of adaptation
studies and studies of intertextuality

My First Seven Years (Plus a Few More)

2014-02-04

an extraordinary coming of age memoir by the nobel prize winning playwright my first seven years is dario fo s
fantastic enchanting memoir of his youth spent in northern italy on the shores of lago maggiore as a child fo grew up
in a picturesque village teeming with glass blowers smugglers and storytellers of his teenage years fo recounts the
struggles of the fascists and partisans the years of world war ii and his own tragicomic experience trying to desert
the fascist army in a series of colorful vignettes fo draws us into a remarkable early life filled with characters and
anecdotes that would become the inspiration for his own creative genius

Dario Fo

2014-01-08

the first and only full length critical study of dario fo the 1997 nobel prize for literature winner this book now
extensively rewritten and updated remains the only full length critical study to cover various phases of dario fo s
theatrical career it looks at fo s political influences and also the influence on his work of various theatrical motifs
including the great clown traditions which stretch back to the middle ages the political work of dario fo and his wife
collaborator franca rame is charted from the 1960s up to the present to give the reader clear insight into this
playwright performer s unique literary and theatrical strengths each of fo s plays and productions is discussed at
length and the author has included an extensive and updated bibliography which includes full production details

River of Shadows

2011-09-01

introducing commissario soneri italy s answer to inspector maigret and shortlisted for the c w a international dagger
river of shadows is a brooding visceral crime novel packed with atmosphere and tension a master storyteller barry
forshaw independent a relentless deluge lashes the po valley and the river itself swells beyond its limits a barge
breaks free of its moorings and drifts erratically downstream when finally it runs aground its seasoned pilot is
nowhere to be found the following day an elderly man of the same surname falls from the window of a nearby
hospital commissario soneri scornful of his superiors scepticism is convinced the two incidents are linked stonewalled
by the bargemen who make their living along the riverbank he scours the floodplain for clues as the waters begin to
ebb the river yields up its secrets tales of past brutality bitter rivalry and revenge

A History of Modern Drama, Volume II

2016-03-31

a history of modern drama volume ii explores a remarkable breadth of topics and analytical approaches to the
dramatic works authors and transitional events and movements that shaped world drama from 1960 through to the
dawn of the new millennium features detailed analyses of plays and playwrights examining the influence of a wide
range of writers from mainstream icons such as harold pinter and edward albee to more unorthodox works by peter
weiss and sarah kane provides global coverage of both english and non english dramas including works from africa
and asia to the middle east considers the influence of art music literature architecture society politics culture and
philosophy on the formation of postmodern dramatic literature combines wide ranging topics with original theories
international perspective and philosophical and cultural context completes a comprehensive two part work examining
modern world drama and alongside a history of modern drama volume i offers readers complete coverage of a full
century in the evolution of global dramatic literature

Accidental Death of an Anarchist

2003

fo s subversive drama is based on a true life story a prisoner falls from a window at police headquarters which
triggers a chain of events exposing the judicial and police corruption of 1970s italy

□ The □ tricks of the Trade

1992

throughout the 1980s dario fo italy s best known and most provocative satirical playwright and his wife franca rame
the celebrated actress and feminist conducted a series of performance seminars around the world on the subject of
acting in places as diverse as london s riverside studios rome s teatro argentina and perugia s free university of
alcatraz fo and rame have revealed to rapt audiences the many facets of the actor s art

2000

includes articles about translations of the works of specific authors and also more general topics pertaining to literary translation

More Tricks of the Trade

2016-10-06

this is the first extended treatment of the english translations stagings and reception of the political plays of dario fo and franca rame focusing on the united kingdom and the united states stefania taviano offers a critique of the cultural stereotyping and political conservatism that have pursued these playwrights in translation and argues for the possibility of remaining true to fo and rame s political commitment while preserving the comic nature of their plays taviano shows how the choices made by the translators and staggers of fo and rame s political theatre reveal attitudes toward foreign cultures and theatre generally and italy in particular among the questions she poses are what characterizes the process of acculturation that takes place when political theatre is transposed from one culture to another to what extent are images of foreign literary production affected by dominant translation practices and theatre traditions perhaps most important what constitutes political theatre in a given society and how are such definitions used to categorize and contain theatre texts that are disturbing challenging and difficult to stage her book concludes with an investigation of the meaning of fo and rame s political theatre today that points the way for future critical studies of the politics behind the translation and stage production of political theatre outside its culture of origin

Staging Dario Fo and Franca Rame

2017-03-02

the role of laughter and humour in the postmedieval citation interpretation or recreation of the middle ages has hitherto received little attention a gap in scholarship which this book aims to fill examining a wide range of comic texts and practices across several centuries from don quixote and early chaucerian modernisation through to victorian theatre the monty python films television and the experience of visiting sites of heritage tourism such as the jorvik viking museum at york it identifies what has been perceived as uniquely funny about the middle ages in different times and places and how this has influenced ideas not just about the medieval but also about modernity tracing the development and permutations of its various registers including satire parody irony camp wit jokes and farce the author offers fresh and amusing insight into comic medievalism as a vehicle for critical commentary on the present as well as the past and shows that for as long as there has been medievalism people have laughed at and with the middle ages louise d arcens is associate professor in english literatures at the university of wolverhampton

2014-11-27

recent work on the cultural history of modern italy has radically challenged received opinion about the relationship of
state and culture during the twentieth century in this rich interdisciplinary book the complex interactions and
negotiations of control arising from this state culture connection are elucidated by way of case studies of major
authors filmmakers and artists and their encounters with censorship patronage and other forms of direct state
intervention analytical surveys of different periods media and culture industries and through an examination of such
key issues as fascist censorship the resistance and its imprint in the collective memory the introduction of television
in the 1950s and 1970s terrorism

Culture, Censorship and the State in Twentieth-century Italy

2005

primo levi has been identified in the public mind as the supreme witness to the barbarism that was the nazi
holocaust but he was ambivalent about having that role thrust upon him he also wished to be judged as a writer who
in addition to the autobiographical works on his experiences in the death camps wrote poetry produced volumes of
sci fi stories authored novels and contributed critical essays to newspapers on a range of topics and writers no one
has the right to ignore or downplay the testimony primo levi offered but it is time to examine the wider vision inherent
in his work and to explore the tradition in which he operated levi was one of the great wisdom writers of his age
whose ethical authority somewhat to his own embarrassment was accepted in many fields several contributors to this
collection of essays see him as a proponent of enlightenment values or as heir to a longer humanist tradition even
after enduring auschwitz he held fast to a notion of the dignity of the human person and no man did more to re
establish however quizzically the secular basis for such beliefs his overall standing as writer is the subject of this
book

improvisation is a tool for many things performance training rehearsal practice playwriting therapeutic interaction and somatic discovery this book opens up the significance of improvisation across cultures histories and ways of performing our life offering key insights into the what the how and the why of performance it traces the origins of improvisation and its influences both as a social and political phenomenon and its position in performance training including history theory and practice this new edition encompasses theatre and performance studies as well as drama acknowledging the rapid reconfiguration of these fields in recent years its coverage also now extends to improvisation in the usa cinema larping street events and the improvising audience while also looking at improv s relationship to stand up comedy jazz poetry and free movement practices with an index of exercises and an extensive bibliography this book is indispensable to students of improvisation

Improvisation in Drama, Theatre and Performance

2015-10-26

classical drama on the modern stage as a cultural and political phenomenon is scholarly trailed since the 1950s and 60s and intensified in the last third of the twentieth century the evidence is being extensively documented pioneered by walton 1987 and mcdonald 1992 and subsequently developed by collaborative research projects which include published databases it is clear from the work of these projects that performance of classical drama is a major feature in all types of theatre avant garde and experimental student international and fringe epic and classical commercial popular and canonical this means that it is closely intertwined with the politics of locale environment and geography as well as of language translation and culture each of the essays has a specialised contribution to make however the total impact of the whole section will be even greater than the sum of the parts because the authors not only intersect in their discussions of common concerns in modern performance of ancient drama but also provide case studies that will add to the knowledge base and critical acumen of everyone working in the field

Staging of Classical Drama around 2000

2009-03-26

the commedia dell arte the improvised italian theatre that dominated the european stage from 1550 to 1750 is arguably the most famous theatre tradition to emerge from europe in the early modern period its celebrated masks have come to symbolize theatre itself and have become part of the european cultural imagination over the past twenty years a revolution in commedia dell arte scholarship has taken place generated mainly by a number of distinguished italian scholars their work in which they have radically separated out the myth from the history of the phenomenon remains however largely untranslated into english or any other language the present volume gathers together these italian and english speaking scholars to synthesize for the first time this research for both specialist and non specialist readers the book is structured around key topics that span both the early modern period and the twentieth century reinvention of the commedia dell arte
