2014

she got her college degree but didn't feel like working yet and her feet were itching so she put solid ground behind her and gave in to the waves she set off to sail across the ocean

It Wasn't Me, All Right?

2019-03-19

the true story of one teacher's career at one of the most notorious schools in north belfast it wasn't me all right is robert rooney's startlingly honest account of his teaching career having taught adolescents deemed not only beyond education but by many as beyond discipline although ostensibly for pupils who had moderate learning difficulties robert found himself teaching those who were failing in mainstream education the school in north belfast achieved a certain notoriety during the sixties seventies and early eighties not only as a place for children with learning difficulties but also as a dumping ground for difficult pupils the resultant intake contained an eclectic range of intelligence ability and behaviour there were however a small number of teachers who were eccentric enough not only to embrace the challenge but to find it both enjoyable and rewarding this is one of the few books of its kind that examines how the troubles in northern ireland affected teachers and pupils during that period while delivering a serious message this story is enveloped in humour as robert

2013-02-03

7/32

it wasn't me a
hueys the hueys

relays his early bewilderment to the genuine enjoyment of his job with a sincere affection and respect for his pupils this is not just another book about the troubles there is certainly pathos and tragedy but the reader's tears are as likely to be as much from laughter as grief the reader is offered a unique insight into teaching in one of the most bitter and vicious times in recent history it wasn't me all right will intrigue and amuse anyone who attended or taught in schools in northern ireland during that period aside from this it will also have a much wider appeal to anyone who sees humour as an integral part in the sharper end of education

They Promised Me The Gun Wasn't Loaded

2018-11-06

award winning author james alan gardner returns to the superheroic fantasy world of all those explosions were someone else's fault with they promised me the gun wasn't loaded only days have passed since a freak accident granted four college students superhuman powers now jools and her friends who haven't even picked out a name for their superhero team yet get caught up in the hunt for a mad genius's misplaced super weapon but when jools falls in with a modern day robin hood and his band of super powered merry men she finds it hard to sort out the good guys from the bad guys and to figure out which side she truly belongs on especially since nobody knows exactly what the gun does at the publisher's request this title is being sold without digital rights management software drm applied.

From Here to Eternity

2011-05-10

divdivjames jones s epic story of army life in the calm before pearl harbor now with previously censored scenes and dialogue restored divdivat the pearl harbor army base in 1941 robert e lee prewitt is uncle sam s finest bugler a career soldier with no patience for army politics prewitt becomes incensed when a commander s favorite wins the title of first bugler his indignation results in a transfer to an infantry unit whose commander is less interested in preparing for war than he is in boxing but when prewitt refuses to join the company team the commander and his sergeant decide to make the bugler s life hell div divan american classic now available with scenes and dialogue considered unfit for publication in the 1950s from here to eternity is a stirring picture of army life in the months leading up to the attack on pearl harbor div this ebook features an illustrated biography of james jones including rare photos from the author s estate div

The World War II Trilogy

2012-09-11

three classic world war ii novels in one collection including the national book award winner from here to eternity an army base at pearl harbor the jungles of Guadalcanal a veterans hospital on the home front inspired by his own experiences in the us army author james jones s world war ii

2013-02-03 **13/32** it wasnt me a
hueys the hueys

trilogy stands as one of the most significant achievements in war literature this compilation includes from here to eternity pearl harbor 1941 a challenging young private is transferred to a unit where the commander is determined to make his life hell this edition includes scenes and dialogue censored for the novel s original publication a true classic from here to eternity was made into an academy award winning film and a television mini series as well as adapted for the stage the thin red line the invasion of guadalcanal ignites a six month battle for two thousand square miles of jungle and sand but the soldiers of charlie company are not of the heroic mold the unit s captain is too intelligent and sensitive for the job his first sergeant is half mad and the enlisted men begin the campaign gripped by cowardice this searing portrait of jungle combat has been adapted twice for feature films whistle after a long journey across the pacific a ship finally lands on american soil for the soldiers loved ones it s a celebration but on board hundreds of men are broken and haunted survivors of the battle to wrest the south seas from the japanese empire though on their way to heal in a tennessee hospital their road to recovery will take far more than mending physical wounds this ebook features an illustrated biography of james jones including rare photos from the author s estate

The Informalisation of the EU's External Action in the Field of Migration and Asylum

2022-01-11

this contributed volume examines the trend whereby the eu resorts ever more often to informal arrangements and deals with third countries in an effort to curb and manage migration flows towards the eu and facilitate the return of irregular migrants to their countries of origin or transit the perceived success of the eu turkey deal provided a strong impetus for the continuation of this trend the contributions collected and presented in this book aim to shed light on the implications of this trend for the eu constitutional order the human rights of those affected by these deals the third countries with which the eu cooperates and the global refugee protection regime they demonstrate how these deals raise more issues than they solve by for instance sidestepping established treaty rules and procedures violating the human rights of those affected and overburdening the nascent migration and asylum systems of third country partners this book the first volume to appear in the global europe series will be of great interest to researchers and policy makers working in the field of migration and asylum eva kassoti and narin idriz work in the research department of the t m c asser institute in the hague

The EU Migration System of Governance

2020-10-01

this book explores the norms practices and main actors in the eu migration system of governance eumsg bringing a fresh perspective to the analysis of asylum and migration in europe the volume unpacks the european union's approach

2013-02-03

All This Thinking

2022-12-15

all this thinking explores the deep friendship and the critical and creative thinking between bernadette mayer and clark coolidge focusing on an intense three year period in their three decades of correspondence these fiercely independent american avant garde poets have influenced and shaped poets and poetic movements by looking for radical poetics in the everyday this collection of letters provides insight into the poetic scenes that followed world war ii while showcasing the artistic practices of mayer and coolidge themselves a fascinating look at both the poets and the world surrounding them all this thinking will appeal to all readers interested in post world war ii poetry

From My Veins

2010-11

in verse reminiscent of the work of bestselling author tom robbins and contemporary poet dan featherston larry mcalister delivers an eclectic mixture of poems that capture the complexity and wild diversity of human emotion from my veins celebrates both the simple and the intricate facets of life through a bold and pleasing mixture of sound and rhythm tone and imagery from the ebbs and flows of love to the visceral satisfaction of conquering a childhood bully and from ruminations on the emotional lives of inanimate objects to meditations on identity mcalister s verse crystallizes human experience in all its complicated glory voice and movement also play within mcalister s poems creating an intriguing blend as perfect as any symphony this style moves throughout the collection to provide a seamless narrative of the human experience filled with vivid language and images from my veins is a masterful compendium of how the soul and the heart communicate in intricate harmony

wuornos s uncensored voice has never been heard dear dawn is wuornos s autobiography culled from her ten year death row correspondence with beloved childhood friend dawn botkins authorized for publication by wuornos and edited under the guidance of botkins the letters not only offer wuornos s riveting reflections on the murders legal battles and media coverage but go further revealing her fears and obsessions her rich humor and empathy and her gradual disintegration as her execution approached a candid life story told to a trusted friend dear dawn is a compelling narrative unwaveringly true to its source it is both empowering and heartbreaking because wuornos represents the fury of a wronged girl gone wild whose rage was unleashed on men the rumpus

Playlets

1832

these highbrows must remember that there is a demand for little things as well as for big things george bernard shaw was one of the leading playwrights and public intellectuals of the nineteenth and twentieth centuries he helped propel drama towards the unexpected into a realm where it might shock audiences into new viewpoints and into fresh understandings of society throughout his long writing career shaw wrote short plays ranging in length from 1000 word puppet play shakes versus shav to the 12 000 word suffragette comedy press cuttings these plays can be taken to illuminate shaw s life and legacy from ideas about war and patriotism in o flaherty v c to censorship in the shewing up of

blanco posset surveying shaw s entire career of writing short dramas focusing especially on those years when his work in the form was particularly prolific around 1909 and during the first world war this collection places shaw s short plays broadly into four key areas farces historical sketches war dramas and shakespearian shorts for each of these areas the volume explores shaw s aesthetic and thematic concerns the precise historical and generic contexts in which the works were written the major criticism and scholarship that has subsequently emerged and the most notable stage and screen productions this collection reveals how a playwright often criticized for being too wordy was actually a master of the short form
