the dual credit curricular initiative offers high school students the opportunity to earn college and high school credits simultaneously without taking a standardized test to acquire the credit the courses are purported to introduce students to a more rigorous curriculum in high school and save them time and money in their pursuit of college degrees dual credit programs have grown rapidly and this monograph provides a synthesis of the scholarly literature on dual credit offered at high school and a variety of postsecondary settings underrepresented students experiences with the course s and suggestions for future research and drivers that will influence its development originally these initiatives focused on high achieving students but additional models have emerged that expand the benefits to lower and middle achieving students as well this is the third issue of the 42nd volume of the jossey bass series ashe higher education report each monograph is the definitive analysis of

a tough higher education issue based on thorough research of pertinent literature and institutional experiences topics are identified by a national survey noted practitioners and scholars are then commissioned to write the reports with experts providing critical reviews of each manuscript before publication

1983

images issues and attacks explores important differences between incumbents and challengers in the uses of televised advertising in modern presidential elections elections since 1956 can be divided into three categories elections with strong incumbents the incumbent wins elections with weak incumbents the incumbent loses and elections with surrogate incumbents the vice president runs incumbent and challenger advertising emphasizes personal imagery links the imagery to specific

issues and attacks rivals for opposing those images and issues the first part of the book describes how incumbents and challengers used these themes in the elections from 1980 to 2000 the second part applies those findings to the 2004 election and shows how george w bush presented himself as a strong incumbent and how he and his challengers varied their mix of images issues and attacks over different periods of the election campaign
