Schemes of Work and Approved Time-tables 2014-09-25 the scottish affairs committee has published a report calling for reform to visa rules for non eu students studying in scotland who wish to remain in the uk to work after their studies in their report the committee have found that current rules for students studying here to remain in scotland are too restrictive and are preventing businesses from finding skilled workers scotland faces different demographic challenges to the rest of the uk with a much lower birth rate and significant skills gaps in the workforce sectors such as health energy and finance face particular problems in recruiting skilled graduate workers the committee found that the closure of the tier 1 post study work visa in 2012 has harmed scotland by making scotland less competitive in the global education market with other nations able to offer prospective students greater employment opportunities after graduation closing this visa has also prevented scotland from making

use of a pool of skilled workers educated in scotland who could help mitigate scotland s demographic challenges since the post study work visa was closed in 2012 the number of non eu students remaining in the uk after graduating has fallen by 80
