Accountancy

1986

this comprehensive review contains 930 multiple choice questions and answers that reinforce bookkeeping and accounting knowledge concepts and techniques

Accountancy, Questions and Key

1976

an accounting study guide with questions and answers is a helpful tool for anyone that is taking an an accounting class an accounting course book covers topics extensively with the study guide the person can take the quizzes and check their answers the study guide shows which answer is correct some study guide books will explain why the other answers is close but not correct once the person takes the quiz on a specific topic they will find out where their weakness is and what areas they have to study the book will help them prepare for class exams and any professional exams they may take

Bookkeeping and Accounts, Multiple Choice Questions and Answers

2007

need help with big 4 interview questions the most important part of the big 4 interview process is confidence how can you get confidence you can gain access to the questions that you will be asked and you can also learn how to answer those questions imagine walking into a big 4 interview and knowing the type of questions that you will be asked and how to answer them wouldn't that feel amazing that what the big 4 interview questions book offers blow the big 4 recruiters and big 4 partners that you interview with away with your confidence and knowledge after you read this book we've made the questions in our interview book so thorough so that you won't stumble on any questions on your big 4 interviews brought to you by the team behind the amazon ebook the big 4 accounting firms recruiting guide we are a team of certified public accountants cpas who work at the big four pricewaterhousecoopers kpmg ernst young or deloitte we all have at least 8 years of big 4 experience this book offers questions that you can ask your big 4 recruiter questions that you can ask your big 4 partner a free resume template at the end of the book over 30 interview questions and answers to help you get ready this book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate you don't need to know every single thing about how the big 4 operate but we focus you in on the key simple areas that will 10x your chances of being one of the top big 4 candidates the format of the book is to first provide you with the question that will be asked in the interview then we provide the reason around why the big 4 ask that question then we give what a bad answer would be to the questions and what a good answer would be the reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions there are too many times where i have interviewed candidates and they answered with an inappropriate answer they didn't respond inappropriately because they are stupid or bad people they responded inappropriately because they didn't practice or no one taught them how to interview there are several categories that the big four public accounting firms like ey deloitte pwc and kpmg test you on when they interview you we try to cover as many of the categories as possible in this book the big 4 interview questions are split into these categories the skills that the top 4 accounting firms will test you on are 1 ability to face change 2 ability to learn on the job 3 your courage and integrity 4 you client relationship skills 5 can you build and sustain relationships 6 can you coach others these and many other categories are covered in the big 4 interview questions books we categorize our questions to help you think about your answers in a more thoughtful manner big 4 accounting firms interview questions will help you understand the pwc interview questions and answers kpmg interview questions and answers ey interview questions and answers deloitte interview questions and answers don't forget to use the look inside feature to get a preview of what our book has to offer including a free big 4 accounting resume template you might also have a negative mindset that you feel like you can't shake we have some tips on how to stay positive throughout the recruiting process even if you aren't a positive person we tell you how to come off to big 4 professionals as a positive individual
