layton kor is pre eminent in american mountaineering he is considered the best rock climber of his generation and his list of first ascents of technically difficult rock climbs both free and aid is perhaps unmatched by any american climber in this book kor tells the story in his own words of these groundbreaking and suspenseful climbs supplementing kor s narrative are twenty three accounts written by other leading climbers of the 1960s and 1970s describing ascents they did with kor royal robbins fred bekey pat ament chris bonington steve roper huntley ingalls and many more share their perspectives kor s climbs have become some of the most famous routes in the world the naked edge in eldorado canyon the diamond on longs peak the salathe wall on el capitan in yosemite the north face of the eiger in the alps the list goes on written in a straightforward and

engaging style and accompanied by stunning historical color photographs beyond the vertical is a must have for all rock climbers and armchair mountaineers alike

Catalog of Captioned Films for the Deaf

1984

jon krakauer s into thin air is the true story of a 24 hour period on everest when members of three separate expeditions were caught in a storm and faced a battle against hurricane force winds exposure and the effects of altitude which ended in the worst single season death toll in the peak s history in march 1996 outside magazine sent veteran journalist and seasoned climber jon krakauer on an expedition led by celebrated everest guide rob hall despite the expertise of hall and the other leaders by the end of summit day eight people were dead krakauer s book is at once the story of the ill fated adventure and an analysis of the factors leading up to its tragic end written within months of the events it chronicles into thin air clearly evokes the majestic everest landscape as the journey up the mountain progresses krakauer puts it in context by recalling the triumphs and perils of other everest trips throughout history the author s own anguish over what happened on the mountain is palpable as he leads readers to ponder timeless questions one of the inspirations for the major motion picture everest starring jake gyllenhaal and keira knightley into thin air ranks among the great adventure books of all time wall street journal a harrowing tale of the perils of high altitude climbing a story of bad luck and worse judgment and of heartbreaking heroism people
