Summary of Michael E. Gerber's E-Myth Mastery 2022-04-23T22:59:00Z please note this is a companion version not the original book sample book insights 1 the first and most important commitment to the extraordinary is personal a true e myth entrepreneur on her way to building a world class company is committed to seeing herself as she really is beyond the optimism focused passion and willingness to take risks that are common to all 2 the journey to find the entrepreneur begins with understanding what entrepreneurship is and what it means to you it is not a trait quality or characteristic possessed by a rare few it belongs to each and every one of us it is a legacy a birthright which we are free to ignore claim or reject 3 the e myth is the entrepreneurial myth it says that most small businesses fail because they are not founded by entrepreneurs but by technicians suffering from an entrepreneurial seizure 4 the e myth says that all technicians anyone who does technical work of any kind make the same fatal assumption that because they understand how to do the technical work of their business they understand how to build a business that does that work however this is untrue *The E-Myth Revisited* 2009-03-17 an instant classic this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business small business consultant and author michael e gerber with sharp insight gained from years of experience points out how common assumptions expectations and even technical expertise can get in the way of running a successful business gerber walks you through the steps in the life of a business from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective the guiding light of all businesses that succeed and shows how to apply the lessons of franchising to any business whether or not it is a franchise most importantly gerber draws the vital often overlooked distinction between working on your business and working in your business the e myth revisited will help you grow your business in a productive assured way

Business Bliss? 2009-03 tobi mcneil has been associated with small business ventures since she was fourteen years old working with her entrepreneurial family through the years she has witnessed various degrees of commercial success and failure in her work as a college instructor and a business advisor she has learned that start up costs can ruin your business venture before it becomes operational packed with powerful stories of small business owners mcneil presents diverse situations encountered by people starting their own small business she lays out vital tools to help ensure the successful implementation and operation of a new small business including business and personal research education financial requirements effective ways to promote your business great ways to keep costs at a minimum hiring employees and tax obligations let business bliss ignorance liability or bliss guide you through situations your business will encounter minimizing problems and ensuring success
