from reviews of since tomorrow since tomorrow is the best post apocalyptic novel i ve read since cormac mccarthy s the road jo vonbargen a magnificent book that lays out an exquisitely formed vision of a broken world a f stewart i could ve been reading faulkner or hemingway the writing was so powerful frederick lee brookean old man rides a workhorse through the night across mudslides past stores abandoned for decades past the rotted corpses of automobiles invisible under mounds of blackberry rain courses from his rabbit skin poncho he carries a sword and a spear he knows where to find the murderer he will face him alone since tomorrow is a novel of a world in the remaking the old man frost remembers the good times those who live on his farm among collapsed warehouses and the foundations of vanished houses struggle to maintain human values but when others in this makeshift world are driven only by greed and the need for power all values must ultimately be replaced by the simple instinct for survival in this full length novel morgan nyberg takes the reader to the west coast of canada where the city of vancouver has been transformed by climate change pandemic economic collapse and earthquake into town a squalid lawless place inhabited the desperate the diseased and the dying taking advantage of this state of affairs is the formidable langley who grows poppies to produce skag a crude form of opium langley has amassed enough power to control a small private army now he is determined to acquire frost s farm for himself recklessly opposing langley is frost s fearless but impulsive granddaughter noor like russell hoban s riddley walker or cormac mccarthy s the road since tomorrow demonstrates that there is room in the post apocalyptic genre for exceptional writing morgan nyberg tells nothing he shows everything in clear sensuous prose free of commentary or explanation prose as addictive as langley s skag he leads the reader toward that climactic night with frost on his horse and farther to the threshold of a new perhaps happier era
